LEIGH MACKENZIE

From childhood trauma survivor to Plastic Princess Church Girl, biblical researcher, and beyond...

I'm a Colorado farm girl born in the Panama Canal Zone; former military wife married 30 years; mom to bio, adopted, and spiritual kids and fur babies.

I deeply love sharing God's Word, serving His Church, and helping His people.

No more plastic princess here, just authentically Authentic-Leigh.

DEMOGRAPHICS

of American women are SA survivors.

Every 9 minutes, a child's victimized.

Jesus cares about these stories.

"Leigh" rhymes with "bee" and not "sleigh" or "chia"
